

İşbank, the first national bank of Turkish Republic, was founded on 26 August 1924 at the initiative of Atatürk, consequent to the decisions made in the First Economy Congress in İzmir. İşbank, which has taken a leading stance at every stage of economic and commercial life, assumed various roles in a number of fields, mainly in industry and trade, and made significant contributions through 94 years since its foundation.

As the largest private bank of Turkey in terms of total assets, loans, deposits and shareholders' equity, İşbank provides its customers quick access to financial services through its extensive branch network and alternative distribution channels.

İşbank's superior scale and its competence of service delivery are defined by its excellent and extensive network that consists of:

- 24,570 employees
- 1,333 domestic and 22 international branches
- 6,560 ATMs

Having pioneered the establishment and growth of many new industries in the country with its corporate identity championing innovation in every aspect, İşbank controls a portfolio of equity stakes in leading companies that are active in a wide range of endeavors.

The financial participations operating in a variety of business lines from investment banking to portfolio management and from leasing to private pension make İşbank unique.

Having crowned its trusted company image with its achievements in 2018, İşbank continued to build on product and service diversity offered through alternative distribution channels, and to consistently augment its transaction volumes.

As of 2018 year-end, 31.44% of İşbank's shares are on free float and they are publicly traded on Borsa İstanbul.
